WELCOME - PETE BRULISAUER

Welcome to the 39th Edition of Hamilton Island Race Week!

I'm delighted to welcome back past sailors and guests and to greet new competitors and spectators for a week of exciting racing and vibrant celebrations. This year, nearly 180 boats are competing, highlighting the sailing community's enthusiasm for Hamilton Island Race Week, Australia's premier offshore keelboat regatta.

Once again, our social calendar is as diverse as our fleet. Enjoy lively Front Street activations, a Long Lunch by the Sea, beachside dining with Danielle Alvarez, an Asian feast at coca chu with Trisha Greentree, and a memorable menu by Josh Niland at Pebble Beach, qualia. Popular Race Week favourites are back, including our best ever Eat Street Food Market, the daily post-race sausage sizzle and Casamigos Mexican Fiesta at TAKO, as well as the Lay Day White Claw Pool Party at the Resort Centre, and pop-up stores from Sail Racing and MECCA COSMETICA.

We're pleased to continue the Skin Check Champions initiative, offering free skin checks at the Robert Oatley College. I encourage all sailors and spectators to take advantage of this valuable service.

A big thank you to our sponsors and partners, including Tourism and Events Queensland, Nautilus Marine Insurance, MECCA COSMETICA, Diageo, Lion, Piper-Heidsieck, Robert Oatley Wines, AV Partners, and new sponsors Sail Racing, Yacht Sales Co, and REVO. Your support makes Hamilton Island Race Week even more exciting.

We are also thrilled to announce our new partnership with Eco Barge Clean Seas. Please use the complimentary sacks and island bins to recycle containers, helping to keep our waters clean and our marine wildlife safe.

To the crews, I wish you an exceptional week of sailing and racing conditions. As you navigate the Whitsundays, recently designated a Whale Heritage Site, please keep your distance from the majestic migrating humpback whales and stay vigilant.

To our spectators, enjoy the thrilling racing and all the festivities. Have a memorable week on Hamilton Island in the heart of the Great Barrier Reef!

Pete Brulisauer
CEO, Hamilton Island

According to The Cancer Council of Australia, 80% of all newly diagnosed cancers in Australia are skin cancers. The majority of skin cancers are caused by exposure to the sun and Australia has one of the highest incidences of skin cancer in the world. Thankfully, over 98% of cases can be successfully treated if detected early, which is why the service provided by Skin Check Champions is so important.

So, remember to be sun safe out there! Apply and reapply your sunscreen throughout the day and don't forget to wear a hat that protects your face, head, neck and ears.
